WORDS FROM A RECIPIENT'S FAMILY

Dear RHSAA,

We would like to say thank you for your financial commitment to so many of the Rusk graduates. All 3 of our daughters have been previous recipients of your local scholarships.

As college expenses continue to increase, any funds from scholarships are very helpful. We appreciate all of your hard work and commitments to provide these funds!

Our oldest daughter obtained her doctorate in optometry. Our middle daughter just received her bachelors & has applied to graduate school for speech language pathology. Our youngest is in her first year pursuing the medical field too!

Thank you again for choosing to invest in our daughters!

Forever grateful,

Welcome New RHSAA Members
